

## **Discretionary increase litigation – appeal to Supreme Court**

### **Provisional hearing date for appeal to the Supreme Court**

Following the Court of Appeal judgment, the appeal to the Supreme Court has been provisionally listed by the Court Registry to start on 3 July 2019, with a time estimate of 1.5 – 2 days.

This is a provisional listing which may change.

The listing will be confirmed by a Supreme Court Judge after the Trustee and BA have filed the Statement of Facts and Issues in the appeal with the Supreme Court. We expect this to happen in February 2019. This is subject to the outcome of the Trustee's application for permission from the Court to use the Scheme assets to fund the appeal. That application is due to be heard in the week commencing 17 December 2018.

We will continue to keep members updated on any further developments as soon as we are able to do so.
