

NAPS Member-nominated Trustee Director (MND) ballot update

On 22 December 2020, we published an invite seeking nominations from NAPS Pensioners to stand for election to an MND position on the NAPS Trustee Board.

Five candidates are standing for election in respect of the vacancy. The candidate with the highest number of votes will be appointed to the NAPS Trustee Board from 1 April 2021.

We have engaged an independent company, Civica Election Services (CES), to manage the ballot.

NAPS pensioner members who have registered to manage their BA pension online will receive an email from CES on Tuesday 16 February 2021 providing their voting instructions. The email will be sent from BAPensions@cesvotes.com.

NAPS pensioner members who have not registered online will receive a voting pack by post. Due to the continuing COVID-19 situation, we have arranged for voting to take place by internet, telephone or post to ensure everyone can participate safely.

Issued on behalf of the NAPS Trustee
