AIRWAYS PENSION SCHEME TRUSTEE LIMITED (registered number 10300010) whose registered office is at Waterside, PO Box 365, Harmondsworth, England, UB7 0GB (the "Management Trustee"), being the sole current Management Trustee of the Airways Pension Scheme (the "Scheme").

BACKGROUND

- (A) This Deed is supplemental to a consolidated trust deed dated 28 September 2020 (the "Trust Deed") and rules scheduled to the Trust Deed (the "Rules") which set out the provisions of the Scheme.
- (B) Under Clause 18 of the Trust Deed, the Management Trustee may amend or add to the Trust Deed and Rules in any way by means of a supplemental deed executed by such two of the directors of the Management Trustee as may be appointed by the Management Trustee to execute the deed, provided that no such amendment or addition shall take effect unless it has been approved by a resolution of the Management Trustee in favour of which at least two thirds of the directors of the Management Trustee have voted and provided as additionally set out in Clause 18.
- (C) The Management Trustee wishes to amend the Trust Deed and Rules on the terms set out in this deed to allow for certain Finance Act 2004 authorised payments and make certain consequential and clarificatory amendments to the Rules.
- (D) At a meeting of the Management Trustees held on 27 September 2023:
 - (I) at least two thirds of the directors for the time being of the Management Trustee voted in favour of a resolution approving the amendment of the Trust Deed on the terms set out in this deed; and
 - (II) Zoe Davis and Paul Douglas were appointed in accordance with Clause 18 of the Trust Deed to execute this deed.
- (E) Terms used in this deed which are not defined here shall have the meaning given to them in the Trust Deed and Rules.
- (F) Headings shall not affect the interpretation of this deed.

OPERATIVE PROVISIONS

1. Pursuant to Clause 18 of the Trust Deed, the Trust Deed and Rules are amended with effect on and from the date of this deed as set out below.
2. Clauses 30(c) and 30(e) (*AVC – Benefits*) of the Trust Deed is amended by replacing the words “*Member’s maximum Pension Commencement Lump Sum*” each time they appear with “*maximum permitted by the Finance Act*”.
3. Rule 14 (*Commutation of pension*) of Part VI of the Rules shall be deleted in its entirety and replaced with the following:

“14. *Commutation of pension*

(a) Provided he has given the Management Trustees such written notice as they require from time to time before his pension comes into payment, a Member or Pensioner may exchange part of his pension payable under Rules 8, 12 or 13 (but before making any adjustment under Rule 13B) for a lump sum payable when the pension starts to be paid. The Management Trustees will convert pension into a lump sum on an actuarial basis decided by the Actuary. The selected basis must be consistent with Clause 32 (statutory requirements).

The Member or Pensioner may choose the amount of his lump sum under this Rule 14(a), but the amount chosen cannot exceed his maximum allowable Pension Commencement Lump Sum. His remaining pension must not be less than the total of any graduated pension payable to him under Rule 31 and any guaranteed minimum pension payable to him under Rule 33.

Any election under this Rule 14(a) will be revoked by the death of the Member or Pensioner before his pension comes into payment.

(b) The Management Trustees may at their discretion choose not to recover any element of a cash sum paid to a Member or Pensioner under Rule 14(a) that is overpaid or paid in error, but only to the extent that the overpayment or payment in error is an authorised member payment for the purposes of the Finance Act.

(c) Regardless of anything to the contrary in the provisions of the Scheme, the Management Trustees may exchange all or part of a Member, Pensioner or other person’s pension entitlement under the Scheme for a lump sum, provided that the lump sum will qualify as an authorised member payment for the purposes of the Finance Act. This may include (for example):

- (i) a trivial commutation lump sum paid to a Member or Pensioner or a trivial commutation lump sum death benefit paid to a surviving spouse, Surviving Civil Partner, Dependent Child or Pensionable Dependant; or***
- (ii) a Serious Ill-Health Lump Sum paid to a Member or Pensioner; or***
- (iii) a payment falling under Part 2 of The Registered Pension Schemes (Authorised Payments) Regulations 2008; or***

(iv) a lifetime allowance excess lump sum under paragraph 11 of Schedule 29 to the Finance Act.

The Management Trustees will use the Actuarial Equivalent of the Member, Pensioner or other person's pension entitlement to calculate the lump sum payable. The selected basis must be consistent with Clause 32 (statutory requirements).

PROVIDED THAT if a Member or Pensioner is entitled to a guaranteed minimum pension under the GMP Rule, to which the basis of revaluation described in Rule 33.4(i)(2) applies, no lump sum may be paid under this Rule 14(c) unless and until he attains pensionable age for the purposes of the GMP Rule.

(d) The payment of a lump sum by the Management Trustees under Rule 14(c) will extinguish the recipient's entitlement under the Scheme to receive the pension benefits which have been exchanged for that lump sum. If the Management Trustees exchange all of a Member or Pensioner's pension benefits for a lump sum, the conversion will also extinguish all the benefits payable on the Member or Pensioner's death except where the Management Trustees are paying a Serious Ill-Health Lump Sum. In the latter case, the Management Trustees may only exchange the Member's or Pensioner's own pension benefits for a lump sum under Rule 14(c) and must first establish a separate arrangement (for the purposes of the Finance Act) for any person contingently entitled to pension benefits on the death of the Member or Pensioner.

(e) Where a Pensioner has commuted part of his pension under this Rule 14, the lump sum payable under this Rule 14 shall be deducted from any death benefit payable under Rule 19 (II)."
